PROFESSIONAL SUMMARY

Enthusiastic B.Tech ICT student seeking an internship to apply skills in web development, data analytics, and backend systems. Passionate about building real-world solutions and contributing to sustainable technology initiatives like e-waste management.

EDUCATION

B.Tech in Information and Communication Technology
Adani University, Ahmedabad

2023 – 2027

TECHNICAL SKILLS

Languages: Python, Java, SQL, HTML, CSS, JAVASCRIPT, Tailwind CSS, C/C++

Computer Science Core: Data Structure & Algorithms(DSA), Object-Oriented Programming(OOP), DBMS

Tools & Technology: XAMPP, Power BI, VS code, Github, Microsoft Excel,

Databases: MySQL, PostgreSQL, phpMyadmin

PROJECTS

E-Waste Management System

- Developed a system for efficient handling and tracking of electronic waste.
- Focused on sustainability, recycling, and reducing environmental impact.
- Designed process flow for waste collection, segregation, and disposal.
- Promoted awareness of responsible e-waste practices.

Event Management System (Eventify)

- Built an event booking platform similar to BookMyShow.
- Features: ticket booking, event listing, user-friendly interface.
- Worked using incremental development model.
- Collaborated with team members for development and design.

Pixel n Plate – Café + Game Zone Web Platform

- Developed a full-stack web application for a café combining food, gaming, and event booking.
- Built responsive UI using HTML, CSS, JavaScript, and Tailwind CSS.
- Implemented backend using PHP with MySQL database integration.
- Created features like:
 - Multi-brand food menu (interactive UI).
 - Event booking system with database storage.
 - Feedback system with rating functionality.
 - Contact form for user queries.

CERTIFICATIONS

Power BI Workshop – OfficeMaster (Jan 2026)

- Learned AI-powered dashboard creation

MS Office with AI Workshop – Skill Nation (Dec 2025)

- Conducted by Microsoft Certified Expert

AI Tools & ChatGPT Workshop – be10x (Dec 2025)

- Learned automation, data analysis & AI usage

Yuva AI for All – NASSCOM FutureSkills (Dec 2025)

- Participation in AI learning initiative

SOFT SKILLS

- Problem Solving
- Analytical Thinking
- Teaching & Knowledge Sharing
- Communication & Teamwork
